

Computer Training Workshop

Venue: Kampilya, Date: 1st - 31st March 06

Computer skills being the lifeline of any business activity today, a great amount of planning and physical effort is being put by the Trust. The training Workshops started in February 05 is progressing well in meeting the objectives.

Main objective: Equip the local women/ youth with IT skills to be entrepreneurs or get suitable jobs,

Other objective: Help them be empowered to be self-reliant and cash in on the business / job opportunities developing in the IT Sector.

Technical support: Computer literate faculty from Delhi and locally
