

Expanding horizons of Draupadi Trust

Nov 9th - 12th '06, on the invitation of locals in **Kannauj & Hardoi**, which are situated approx. 60 Km. from Farrukhabad in U.P., A visit was undertaken to

assess the local needs of the women & possibility of establishing the branches of the Trust to help them.

Kannauj---- Here the main demand was for subsidised computer education & vocational training for girls & women.

Hardoi (Vill. Pali) ---- Though a large block area yet quality of basic education & facilities is quite poor. Here the demand was for enhancing educational facilities.

A talent search contest in Dance, Music & Poetry was organized by the local people. Neera Misra gave the prizes to the winners.
