MESSAGE

I am happy to learn that the Draupadi Trust is engaged in the work of empowering rural women and youth by providing opportunities for development of skills so that they can contribute to the progress of their families as well as society.

The Trust has been providing socio-cultural and economic empowerment opportunities to marginalized sections of society. It is also engaged in evolving innovative approaches on socially relevant issues. The consistent focus of the Trust on social development work in the rural and deprived urban areas is praiseworthy.

I extend my Best Wishes and Greetings to all the Members and Volunteers associated with the Trust.
