Message

The essence of its service to Society is inherent in the concept of Draupadi Trust. Inspired and founded by Ms Neera Misra, the Trust is committed to the welfare and empowerment of women and youth especially in the deprived section of Society. As citizens of this country, we are grateful to the inspired work of Ms Neera Misra.

With her intellect and dedication, Neera Misra brings beauty, grace and dedication in the lives of several people.

In the spirit of a volunteer, this exemplary work is the urgent need of our society. The constructive work of welfare and empowerment of women and youth is a natural part of a culture of peace in the vision of Sarvodaya. The Trust is bringing out its Annual Activity Report for 2008-2009 and I take this opportunity to say that I am with Neera Misra for all her beautiful inspirations.
